# Episode 2 Action Items

## Episode Summary

Gain a deep understanding of servant leadership and uncover the importance of humility in guiding and inspiring others. With today's actionable steps, you'll be equipped to start modeling and mentoring leading, teaming, and following. Discover how to earn the titles of "leader," "teammate," and "follower" from those you lead.

## Action Items

**1. Start modeling and mentoring leading, teaming, and following.**

To be a fair, firm, and accountable leader, you must first be able to follow and be a good teammate.

**2. Be available and approachable.**

When you are available and approachable, people will bring you problems long people they are a big problem.

**3. Earn the titles "leader" "teammate" and "follower" from others.**

A servant leader goes the extra mile for those around you.
