# Episode 7 Action Items

## Episode Summary

Start thinking outside of the box to solve problems. Major General Dustin "Dusty" Schultz shares the mindset tools for becoming an expert in transformation and leading high-performing teams. By approaching problems in new and innovative ways, you can think smarter, not harder.

## Action Items

**1. Be transparent.**

Be the same person all the time, at home and at work, no matter who is watching.

**2. Be competent.**

You don’t have to be perfect. But you should always strive to get better and do better.

**3. Be energetic.**

When you do something, do it with energy.
